Dear Colleague

Biological Safety Courses

This course is aimed particularly at Biological Safety officers, senior technical staff and others who may have a responsibility for supervising or overseeing work of a biological nature.

The intention of the course is to give some basic information and grounding for those taking on such roles in their department and will cover topics including legislation, biological agents, genetic modification, emergency procedures and training.

This course will be held on :

BSO1 Tuesday 8 March 0900 - 1230

Applications to join the course should be made by e.mail to me A.Willcox@Sheffield.ac.uk If you have any queries about the course format or content, please contact Dewi Thomas on 26201 or D.G.Thomas@Sheffield.ac.uk.

Yours sincerely,

Dr Anne Willcox
Deputy Head of Safety Services
